

Is It Time To Become An Apartheid-Free Community?

Do you Look at the Tragic Events in Israel/Palestine and Feel Both Angry and Helpless? Our faith calls us “to seek justice and resist evil”. But how can I and my faith community have an impact on what is happening now so far away - in the land where Jesus walked and taught?

Join us online for the webinar where we will explore:

- Is what exists today in Israel and Palestine apartheid?
- What can we learn from the struggle against apartheid in South Africa?
- How can my faith community become an Apartheid-Free Community? What would that mean?
