Request For Proposals
Real Estate Services

Shifting societal and demographic forces within the Atlantic region have created an environment in which church properties are becoming increasingly subject to consideration for redevelopment and/or sale.

An invitation is extended to Real Estate companies operating in the Atlantic region to respond to a Request For Proposals (RFP) on the provision of real estate services for the Maritime Conference of The United Church of Canada.

Maritime Conference is a regional administrative body of the church that encompasses New Brunswick, Nova Scotia, Prince Edward Island, the Gaspe coast of Quebec, and Bermuda. This RFP is only in reference to properties in Canada.

Real Estate companies with a capacity to operate throughout the region are invited to respond with a proposal for real estate services including, but not limited to:

- Property assessment
- Market value analysis
- Marketing strategy
- Assessment for development potential
- Facilitation of contacts with developers
- Agent services for property sales

To indicate interest in this RFP, and to receive a list of 10 representative properties that are presently available for consideration, please contact:
