Re: Conference Allocation to Presbytery

At the recent Truro Presbytery Executive meeting on December 9, 2014, concern was raised about the lack of available proposed 2015 budget for the Presbytery (other than following 2014 budget with possible 2-3% increase). Further to that, is the lack of receiving the Conference 2015 budget.

The following motion was made:

b. Discussion re: annual allocation from Maritime Conference to Presbytery—

MOTION by Rev David LeBlanc/Rev Valerie Kingsbury that a formal request be sent to Maritime Conference, re: Maritime Conference Allocation to Presbyteries, that the allocation for Presbyteries be set in early November of each year, and forwarded to each Presbytery Finance Committee for budgeting to be done within the Presbytery and Pastoral Charges. MOTION CARRIED.

Please receive this formal request, to be forwarded to the appropriate committee.
Thank you for tending to this matter.

In Ministry together,

Fay Smith, Secretary, Truro Presbytery

Rev Ian Harrison, Chair, Truro Presbytery

Cc: Rev David LeBlanc, Chair, Finance & Property, Truro Presbytery
