

Moderator to visit Maritime Conference

At some point during their three-year term, the Moderator conducts an official visit to each Conference in the church. The practice in Maritime Conference has been to share this visit among the Presbyteries/Synod on a cycle, so that each Moderator can visit a variety of areas in the Conference, and each Presbytery/Synod can look forward to having approximately every third Moderator come to call.

Within the term of Moderator Jordan Cantwell, Woolastook, St. Croix, South Shore and Truro Presbyteries will be visited. Time will also be made for a quick visit to Atlantic School of Theology, Tatamagouche Centre, and with the United Church Naval Chaplains in Halifax.

The Moderator will be visiting with Wilmot United Church in Fredericton in recognition of their becoming an Affirming Ministry on Sunday, October 2. The official visit to Maritime Conference begins the next day. The rough schedule is as follows:
