Subject: Item for Conference Executive

Morning David:

On behalf of the Maritime Conference Committee on Affirming Ministry, I am requesting that you bring the following item of business before the Conference Executive (or Sub-Executive) at the next possible opportunity.

The Maritime Conference Committee on Affirming Ministry recommends that Maritime Conference approve a policy of expecting that the Conference President and the Conference Executive Secretary (or other program staffperson) annually attend the Conference and AGM of Affirm United, as much as is feasible, and that the Conference travel and expense budgets, as appropriate, be adjusted to reflect this expectation.

Thank you.
