Good Morning
Ron

The following motion was passed at the recent December meeting of Chignecto Presbytery Executive concerning the disbursement of funds from the sale of Dorchester. This motion should clear the way to release the funds as requested hereunder.

I wish everyone a most blessed Christmas.

Paul I. Wood

Wayne Trail/Paul Wood moved that presbytery concur with the appointed trustees of Dorchester pastoral charge that the amount of \$6,070.54, held in trust by Chignecto presbytery, be used to support the continuing education and consultation necessary to address the ongoing initiatives within the United church during the transition to a regional council as outlined in Remit 1. MOTION CARRIED.

Hi Ron,

I believe that Maritime Conference is still waiting for a recommendation from Chignecto Presbytery, which means that the Dorchester sale proceeds remain in the lawyer's trust account. Given the time that has passed, I feel it is prudent to transfer the funds from the lawyer into the care of Maritime Conference where they will continue to be held pending a recommendation from Chignecto Presbytery.

Could you please inform the lawyer that Maritime Conference instructs the Dorchester funds be sent to "Maritime Conference Fund," 21 Wright Street, Sackville, NB, E4L 4P8? Thank you.

In Peace,

Dave
