- The applicant is recommended as an interim minister, with the following conditions.
 The applicant is not designated as an interim minister at this time for the following reasons.

The CIMC met with Lori Crocker on Nov. 29th, 2017 and are pleased to recommend her to the Conference Executive for designation as an Interim Minister with the following conditions:

a) that her first appt. as an Interim Minister not be to a pastoral charge that has been identified as in a high level of conflict.

b) that she seek out a designated interim minister with experience to work with her as a mentor in her first interim ministry appt.

These are the conditions we would add to any designation for a first time appt. as an interim minister
