David:

The Conference MP &E Committee met yesterday by conference call and made the following motions.

1. Moved by Ruth Gamble, seconded by Pix Butt that MPE recommend to Maritime Conference that the request for funding for the LLWL Atlantic Program in the amount of \$11,150 for the calendar year 2018 be approved. Motion carried.
2. Moved by Joy Noble, seconded by Ruth Gamble that MPE recommends to Maritime Conference that program offered at the Tatamagouche Center be endorsed as "A" recommended program for LLWL training in the three Maritime Provinces. Motion carried.

You will note that we changed the wording from "the" to "a" in the motion before us. The thinking was that some presbyteries run their own program while others might choose a program offered by AST.

Further, it was agreed that I, as chair, would send correspondence to the Presbytery Education and Students Committees information regarding options for lay leadership training as the Church moves towards a new structure. There is an acknowledgement that LLWLs are being increasingly utilized and good training is beneficial.

Brian,  
Chair, MPE
