

LET'S DO LUNCH WITH THE MODERATOR!

Are you about ready to gather with other clergy colleagues and share some time over lunch? How would it be if we do that November 1st while the Moderator is in Fredericton?

Please come and join us for fellowship, some news from The Right Reverend Richard Bott and a time of quiet contemplative worship.

THE PLAN:

11:30 - meet and share a simple lunch together.

12:15 - hear from The Moderator about how his first year has been.

12:45 - move to the sanctuary for a time of contemplative worship.

(This will involve several forms of contemplative practice and silence.)

1:30 - winding up, closing remarks Richard Bott may wish to make about ministry today.

Sending forth.

WELCOME
