Welcome to Called to be the Church 2021

“We are not alone.”

These words from A New Creed have more meaning than ever in these days of pandemic. Worship delivery has changed; pastoral care has changed; everything has changed—and so has *Called to be the Church*. This year, we’re introducing:

- A new **worship focus** for any five weeks of the year on our theme, Discipleship is Stewardship
- New **Stewardship@Home** materials to use during the week to reinforce the Discipleship is Stewardship message
- A new **web location** for all your stewardship digital resources: united-church.ca/stewardship

And YOU are not alone.

Introducing **Called to be the Church: The Journey**—tailored and topical modules with coaching and ongoing support to meet your stewardship needs.

Module #1: Stewardship Best Practices is rolling out in early 2021.

As part of a small group experience, plan your next steps to:

- Grow generous disciples
- Increase financial resources available to do mission and ministry
- Get to know other communities of faith using *Called to be the Church*
- Share and apply practical and spiritual education about stewardship

Don’t let your community of faith miss out on this! To find out when **Called to be the Church: The Journey** modules will be offered in your region, subscribe to “God’s Mission, Our Gifts”

at <https://united-church.ca/e-newsletters> or contact Roger. *(Currently looking for participants for our first course offering in February! Let me know if you are intested.)*
