Roles and Responsibilities for the Regional Council Members:

Members of the Regional Council will represent their Community of Faith at the Regional meeting. The Regional Council member will provide key communication updates between the Regional Council and their Community of Faith throughout the year. Regional Council members should be people who are passionate about building relationships beyond their congregation. In addition, the Regional council member may consider serving within the Regional Council governance structure.

- members to the region from their communities of faith are a key connector for the community of faith and the region.
- You are one of our communications agents in the system. We rely on you to be the person who receives correspondence from the region and brings that to your governing body (board/council).
- It is recommended that one of the elected members from your community of Faith to the Region be a member of your governing body (Board/council)
- help your governing body understand/ find the policies and governance documents pertaining to the regions work.
- highlight the website, and Facebook page to the community of Faith as a resource of information.
- share the Regions weekly news with the congregation and Board/Council
- provide a copy of the regional executive minutes to the board or council quarterly.
- bring a report from the annual meeting to your communities of faith.
- If possible serve on one of the committees and Divisions of the Region
- to help members of your communities of faith discern where they might serve on the various committees and divisions of the region and encourage them to get involved.

The region is all of us and we are called to fulfill its ministry together. You are an important part of the regional structure. Thank you for your ministry.
