**FROM:** Faith March-MacCuish, Executive Minister

**RE:** General Council 44

---

As you are probably already aware, General Council 44 will be held completely online for the first time this year. While this means we won't be able to gather in person for General Council as so many of us are used to, it also means there are unique opportunities for those who are not Commissioners, Invited Guests, or Youth Forum members to join in the event and stay connected to GC44 no matter where they are.

The theme for the 44th General Council is "Who do you say I am?" These words, together with the logo, will be an evocative presence throughout the General Council meeting.

You are invited to visit [Connect with GC44](#) on the General Council website for ways you can connect online and follow the proceedings, along with a community of United Church people and like-minded followers from across Canada and even around the world.
