

President's Monthly Message November 12/23 - December 11/23

As we draw closer to the birth of our Lord and Saviour, my wish to every member of Bermuda-Nova Scotia Regional Council, Staff and All Communities of Faith to have a safe, healthy and joyous Christmas season and that 2024 brings new beginnings for each of you; whether you gather together in person or online, blessings upon each of you today, tomorrow and all of your tomorrows. Remember, we never walk alone. God is with us. Thanks be to God!

Merry Christmas & Happy New Year!

Shauna MacDonald
President
