

Faith Formation, Christian Education and Leadership Development Team

Thank you to the team members for gathering through their busy schedules to plan and lead this year's clergy retreat. The retreat was held in Gander in October. This year we explored a variety of worship styles including some meditative eastern traditions, Stories and Song and Ukulele Church. We also had a great discussion of what we need to support each other.

The committee held a brainstorming meeting early in the year and it is hoped that we can offer some events from the ideas expressed during that time.

We are currently working on plans for the 2024 fall retreat.

Thank you to staff members Heather Sandford and Catherine Stuart for their support and guidance.

Respectfully

Susan Sheppard DLM
