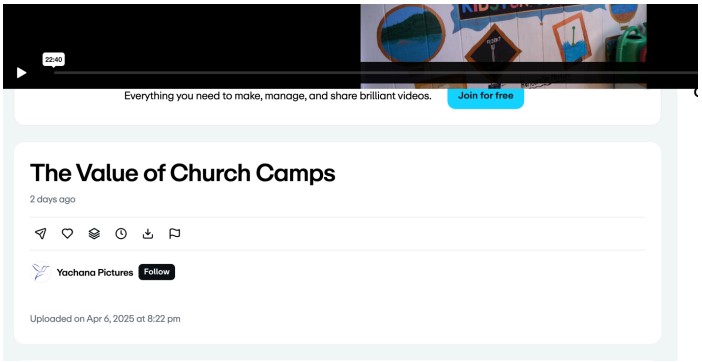
Yachana Pictures
Life Through A Lens

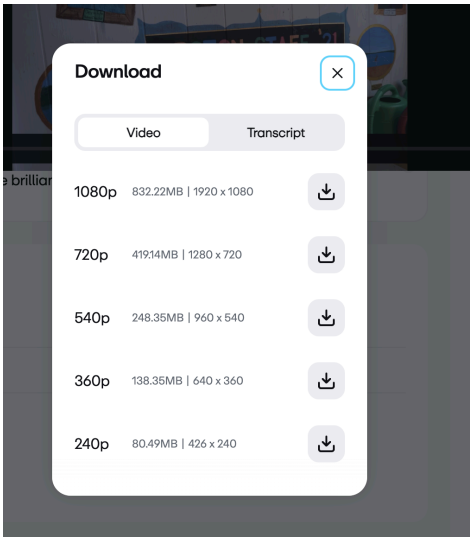
The Value of Church Camps

Video download instructions

1. Click the link to access the file: https://vimeo.com/1073042846
2. Once on the Vimeo page, click the download icon under the video title:



3. Select the '1080p' option and click the download icon again to save the video to your computer:



4. Save the video file to the desktop of the computer you will be using to share the video during worship on Camping Sunday (April 27).

5. Do not play the video from the Vimeo link or using a remote hard drive during worship as that could result in buffering during playback, due to the size of the video file.

6. To share the video with others who may be interested in seeing it outside of your worship service, feel free to share the link above.
