Officially opened in the Fall of 1990, ABUCHI (located in Glovertown) is now the home of eleven residents. In partnership with Newfoundland and Labrador Housing, the ten apartment complex provides safe affordable housing to seniors in the area. Though all residents still live independent lives, the Board of Directors oversee the management of the home. The Board of Directors, along with the residents, plan functions such as; Christmas Dinners, Summer Social, and Social Hours as a means of maintaining the strong sense of family that exist in the home. Each year, at our Annual Meeting, we meet with all tenants so that we can incorporate their vision of the Home into any future direction(s).

All inspections: Fire Extinguishers, Fire Alarm System, Building Inspections have been completed.

The next project we will be working toward is the replacement of plumbing throughout the building.
