The Regional Representative is an important ministry. The Representative is an essential point of connection and information transfer between the Region and the local Community of Faith/Pastoral Charge. It is a way for you to offer leadership as you live out your discipleship in the wider church. As you participate you gain knowledge, develop a sense of community, deepen relationships and a gain a broader understanding of the mission of the wider church and the part that your community plays in that responsibility. You can become a great support to your community in helping them with questions and information.
