

To all Communities of Faith,

General Council has asked us to share a new Purolator discount initiative that is available to Regions and Communities of Faith. Through a coordinated approach, participating Regions and COFs can access a **preferred rate of 65% off Purolator's standard rates**, with billing managed directly by each participating entity.

This initiative is most effective when we collectively align on a single preferred vendor. By consolidating our shipping volume with Purolator, we strengthen our ability to realize economies of scale, reduce overall costs, and position ourselves to negotiate even greater discounts over time. Increased participation will be key to maximizing these benefits across the church. General Council is encouraging broad participation to take full advantage of this opportunity and enhance our collective purchasing power.

Please click [here](#) for the form to sign up. The completed form must be returned to Mary Worrall, SS Lead at Mworrall@united-church.ca to initiate account setup. Purolator will then connect directly with the identified contact to provide account details.

If there are any questions related to this, please feel free to contact Mary Worrall.

Kind regards,
Shari
